Brief Bio

Rami Sharkey is a New Orleans native and freelance web developer/ramisharkey.com specializing in front-end coding, and php/mysql programming. He has worked in a freelance capacity for firms in New Orleans such as Trumpet Group and Annunciation Interactive.

Rami is also a local musician using the stage name **Ballzack**, and continuously performs in the city. Ballzack has graced the covers of Gambit Weekly, Where Ya't, and Antigravity Magazine in which he serves as an occasional contributor.

Rami is currently forming a New Orleans music collective called Snowball Stand, which will serve as a resource support group for it's members in further promoting their music.
